FORUM ON INSIGHT INTO FTSE AND ITS IMPACT ON CAPITAL MARKETS

THURSDAY, APRIL 30, 2015 AT 3:00 PM EASTERN
UPPER CANADA ROOM 18TH FLOOR, FAIRMONT ROYAL YORK HOTEL
100 FRONT STREET WEST, TORONTO

PROGRAM

2:30 – 3:00 PM Registration

3:00 – 5:00 PM **FTSE and its Impact on Capital Markets**

In Q1 2013, FTSE TMX Capital Debt Markets was formed through a JV partnership between TMX Datalinx (former PC-Bond) and FTSE Group, and operates as a subsidiary of FTSE International Ltd. The session will provide a brief history of FTSE TMX and the evolution of index methodology. We will discuss developments since the partnership with FTSE and the outlook for the Canadian bond indices. The panel is intended to add perspective from various users of FTSE TMX bond indices, opening discussion on best practices, common concerns, how index methodology may impact portfolio construction and developing trends.

5:00 – 6:00 PM **Networking Reception**

A casual networking opportunity with CBIA members and other key industry leaders.

SPEAKERS

Basil Czopyk, CFA
Director of Corporate Bond Trading and Distribution, TD Securities

Basil is a Director of Corporate Bond Trading and Distribution, managing the energy/infrastructure/utility sector with TD Securities. Basil has over 10 years' experience trading corporate bonds and is past Chair of the Toronto Bond Traders Association. He earned a Bachelor of Arts in Economics and has his CFA credential.

Bill Girard, CFA
Vice President and Portfolio Manager, 1832 Asset Management L.P.

Bill is responsible for credit investments, including preferred shares, across all managed client portfolios on the Scotia fixed income team. In 1994, Bill joined the fixed income team at Scotia Investment Management, a predecessor firm, where he established a successful track record in value-added trading, research and portfolio management. This led him into successively more senior positions within the firm. Bill holds a Bachelor of Science and a Bachelor of Commerce degree from the University of Windsor, as well as a Master of Business Administration from the University of Miami, graduating Beta Gamma Sigma. Bill is a CFA Charterholder and is a past director of the Toronto CFA Society.

Erwan Pirou, CFA
Canadian Head of Fixed Income Research, AON Hewitt

Erwan leads the Canadian fixed-income research team at Aon Hewitt and plays a crucial role in supporting the Investment Consulting practice. He joined the practice in 2007. Erwan specializes in investment manager research, with a particular focus on fixed income and liability-driven investments. He researches a wide range of fixed income products from Canadian bonds to global and high yield bonds. He also has experience of structuring solutions with derivatives. Before joining Aon Hewitt in 2007, Erwan was a credit analyst at Barclays, assigned to the telecommunications and utility sectors, and served as a fixed-income security portfolio co-manager. He was previously a quantitative analyst at Barclays Private Bank. Erwan has a Master's degree in corporate finance from Université de Rennes (France). He holds the designation of Chartered Financial Analyst (CFA) and has 15 years of experience in the field of finance.

Marina Mets, CMA CPA
Director Fixed Income, FTSE TMX Global Debt Capital Markets (PCBond)

Marina is responsible for managing the Canadian Fixed Income product suite which includes indices, valuation, and software analytics. In this role, Marina works closely with research & analytics, as well as partners and key clients, to develop and broaden FTSE's bond index offering. Marina has been with the Fixed Income Index business in Canada since 2001, starting her career at Scotiabank Capital Markets, and continuing on with the PCBond business through its acquisition by TMX Group in 2006. Marina joined FTSE TMX which combined the fixed income businesses of FTSE and TMX Group in 2013. Marina holds a Bachelor of Commerce from the Rotman School of Management at the University of Toronto, and is a CPA CMA.

Program subject to change.
